

Jefferson Landing Golf Course

Designed by US Open and two-time PGA Champion, Larry Nelson, Jefferson Landing's award-winning 7,110-yard, par 72 course has a reputation of being challenging but fair. Since its opening in 1991, the course is best known for its superb conditioning, outstanding playability for players of all levels, comprehensive practice facilities, and of course, its spectacular view of the Blue Ridge mountains.

The New River and High Country Chapters, MOAA will host the 3rd Quarterly NC Council of Chapters meeting on August 9-10, but have also planned an afternoon for an optional group outing & weekend among friends at Jefferson Landing. Join us and see firsthand why this course was rated a "**Top 100 Golf Course in the Carolinas**" from Golf Styles and 4 ½ stars out of a possible 5 from Golf Digest.
