Subject: Update #1 MOAA NC Council Meeting 23, 24 Feb

The purpose of this email is to highlight meeting Logistics.
This is the first email in a series of three; meeting logistics, preparation and report status.

To NC Council Board and Chapter Presidents

We are getting close to our Council Meeting in Salisbury 23 and 24 February.

The purpose of this meeting is to

1. Focus on activities that can support the chapters; to help them grow their membership
2. Share Chapter successes and look for solutions to issues and concerns
3. Update the group on state and national legislative issues and support for active duty and veterans

The format of the meeting will be different from past meetings; different agenda arrangement, different seating to support the purpose of the meeting and more participation.

Three things coming up for the logistics of the meeting:

1. I hope every chapter will be represented. If you as president cannot attend, please send a representative Please let me know in advance if this is not possible.
2. The deadline for reservations is getting near, see the NCCOC web site under Calendar for reservation specific procedures
 - To get the group rate at the Hampton Inn, reservations are required by 29 January
 - Dinner reservations deadline is 10 February

Note: Our social on **Friday** night will include a pay as you go bar provided by a local winery and brewery (Morgan Ridge). They will not have mixed drinks available.

3. The speaker for **Friday** night is Dr Gary Freeze, Catawba College history professor who will be talking about the early history of Rowan County.

I am looking forward to my first meeting as your Council President. Let me know if you have issues or concerns that need to be addressed before the meeting.

Thanks,
David Lee
