

## Memo

### **North Carolina Council of MOAA Chapters**

**To:** Council Officers and Chapter Presidents  
**From:** Council President  
**Date:** March 26, 2019  
**Subject:** Third Quarter Council Meeting in Cary, NC

---

This memo is to provide the details of our third quarter council meeting.

We have changed the format for this meeting to ease the burden on the chapters who have to do the detail planning and lessen the cost for those attending. This is a Saturday only meeting. No Friday evening dinner is scheduled. As we have discussed in our previous meetings, if this is successful, we will go to a meeting only format for two of the four annual meetings and maintain the traditional format for the other two meetings during the year. This meeting will be a trial; reaction and feedback from the participants will be solicited for future plans.

The meeting will start at 10:00 am, which will give most of our attendees a chance to drive in Saturday morning and will eliminate the cost of an overnight stay. We anticipate adjourning at 3:00 pm. Lunch will be served on-site.

#### **Meeting Details:**

**Date:** Saturday, August 17, 2019  
**Location:** Searstone Clubhouse, 17001 Searstone Dr, Cary, NC 27513  
**Schedule:** 10:00 am to 3:00 pm, with a break for lunch

Lunch will be provided by the Council. Agenda to follow.

Searstone is a continuing care retirement community for those aged 62 and better that opened in 2013. It is beautifully appointed with friendly staff and spacious clubhouse. A few of our MOAA members are residents. Thanks to Jeri Graham and Ed Baisden for organizing the meeting with Searstone. We will meet in the clubhouse, which is through the circle and on the main road. Use the address above in your GPS. Their phone number is (919) 230-8441.

For those who need or want to stay over Friday or Saturday nights, there are lots of hotels within a 20 to 30 minute drive in the Morrisville, near the airport and Raleigh, Durham, Chapel Hill and Cary areas, with rates from \$100 and up.

Let me know if you have questions.
